

GUIDE TO REGISTERING INTERNAL SECURITIES TRANSFER ON THE WEB TRADING

Internal Securities Transfer is a function that allows customers to transfer securities between their sub-accounts. Clients can transfer securities from a normal account (.NM) to a margin securities account (.MG) or vice versa.

Note: Clients can only transfer securities eligible for margin trading in PBSV's marginable list from normal account to margin account.

To complete this transaction, please follow these steps:

Step 1: Log in to the system (make sure to select the .NM or .MG account) and go to the "Accounts" tab => "Transfers and Payments" => "Internal Stock Transfer".

INTERNAL STOCK TRANSFER

Info Confirm Finish

SENDER		BENEFICIARY	
Sender account	029C000820	Receive account	029C000820
Sender sub account	029C000820.NM	Receive sub-account	029C000820.MG
Transfer's name	Nguyễn Văn A	Recipient's name	Nguyễn Văn A
ID number	1122334455	ID number	1122334455

ENTER THE AMOUNT OF STOCK TO TRANSFER

<input type="checkbox"/>	Symbol	Quantity ?
<input type="checkbox"/>	AAA	8000

Time to Stock transfer internal is from 8h00 to 16h00.

Screenshot 1. List of Securities Eligible for Internal Transfer

Step 2: To perform an internal transfer, the customer will select the securities to be transferred, enter the quantity of securities to transfer (you can choose one or more symbols) => Continue => The screen will prompt you to enter the authentication code.

The screenshot shows the 'INTERNAL STOCK TRANSFER' interface. At the top, a progress bar indicates three steps: 'Info' (selected), 'Confirm', and 'Finish'. Below the progress bar, the 'STOCK TRANSFER INTERNAL DETAIL' section contains four input fields: 'Receive account' (029C000820), 'Receive sub-account' (029C000820.MG), 'Recipient's name' (Nguyễn Văn A), and 'ID number' (1122334455). The 'STOCK TRANSFER LIST' section displays a table with two columns: 'Symbol' and 'Quantity'. The table contains one row with 'AAA' and '100'. Below the table, the 'CONFIRM' section has a 'Select Confirmation Method' dropdown set to 'PIN' and a PIN input field with a yellow border and a visibility toggle. At the bottom, there are 'Back' and 'Next' buttons.

Symbol	Quantity
AAA	100

Screenshot 2: PIN Verification Screen

Step 3: The client reviews the list of securities to be transferred then enters the authentication code => "Continue".

The system will display a message indicating that the transaction was successful.

The screenshot shows the 'INTERNAL STOCK TRANSFER' interface after a successful transaction. The progress bar now shows 'Info' and 'Confirm' as completed steps, with 'Finish' selected. A large blue checkmark icon is centered above the word 'Successfully'. Below this, the 'STOCK TRANSFER INTERNAL DETAIL' section shows the same four input fields as in the previous screenshot. The 'STOCK TRANSFER LIST' section displays the same table with 'AAA' and '100'. At the bottom, there are 'Another transaction' and 'Check detail' buttons.

Symbol	Quantity
AAA	100
