QUICK ORDER PLACEMENT

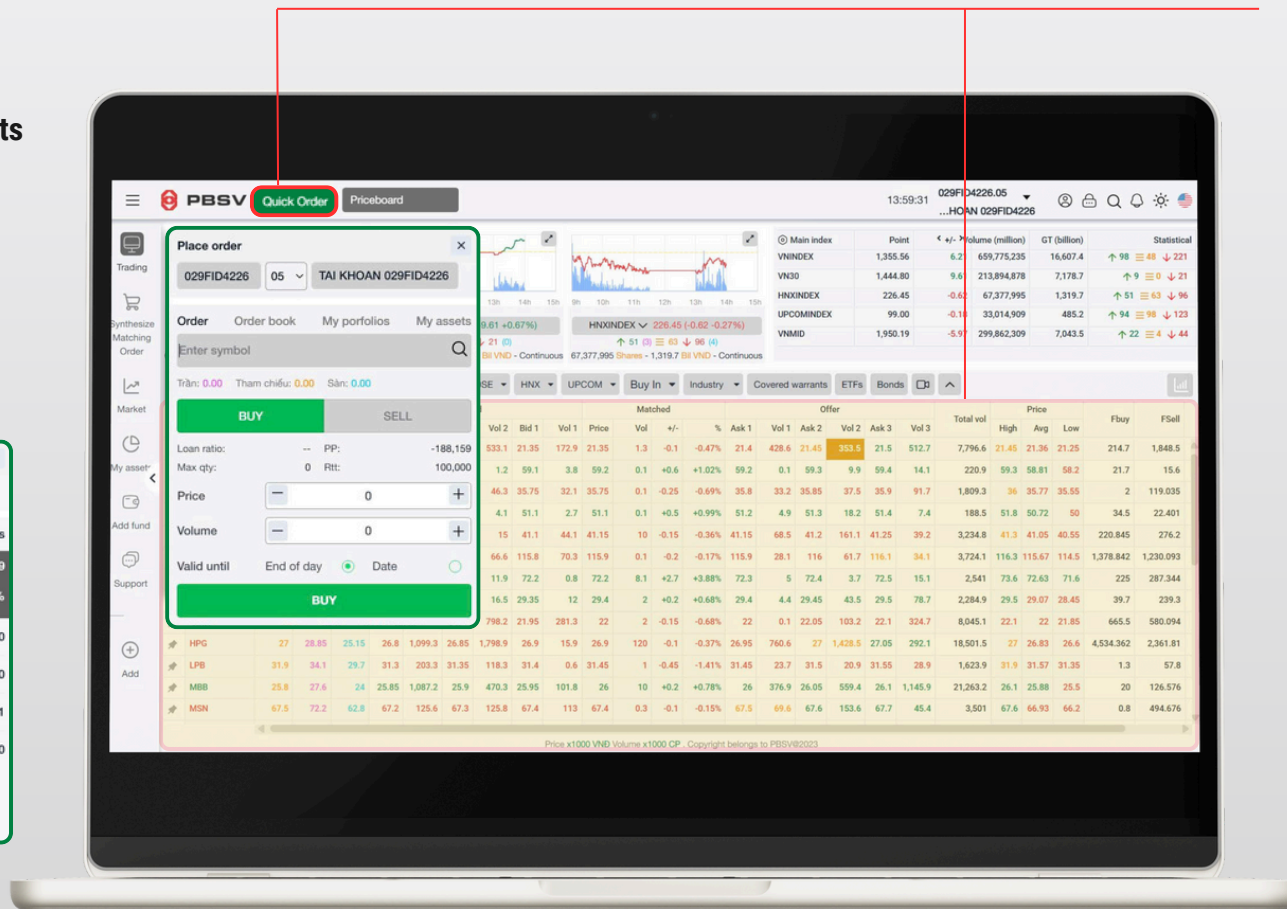

Click on the **STOCK PRICE** on the price board or press the **QUICK ORDER** button to open the quick order window

Sequentially display the tabs:

Order / Order book / My portfolio / My assets

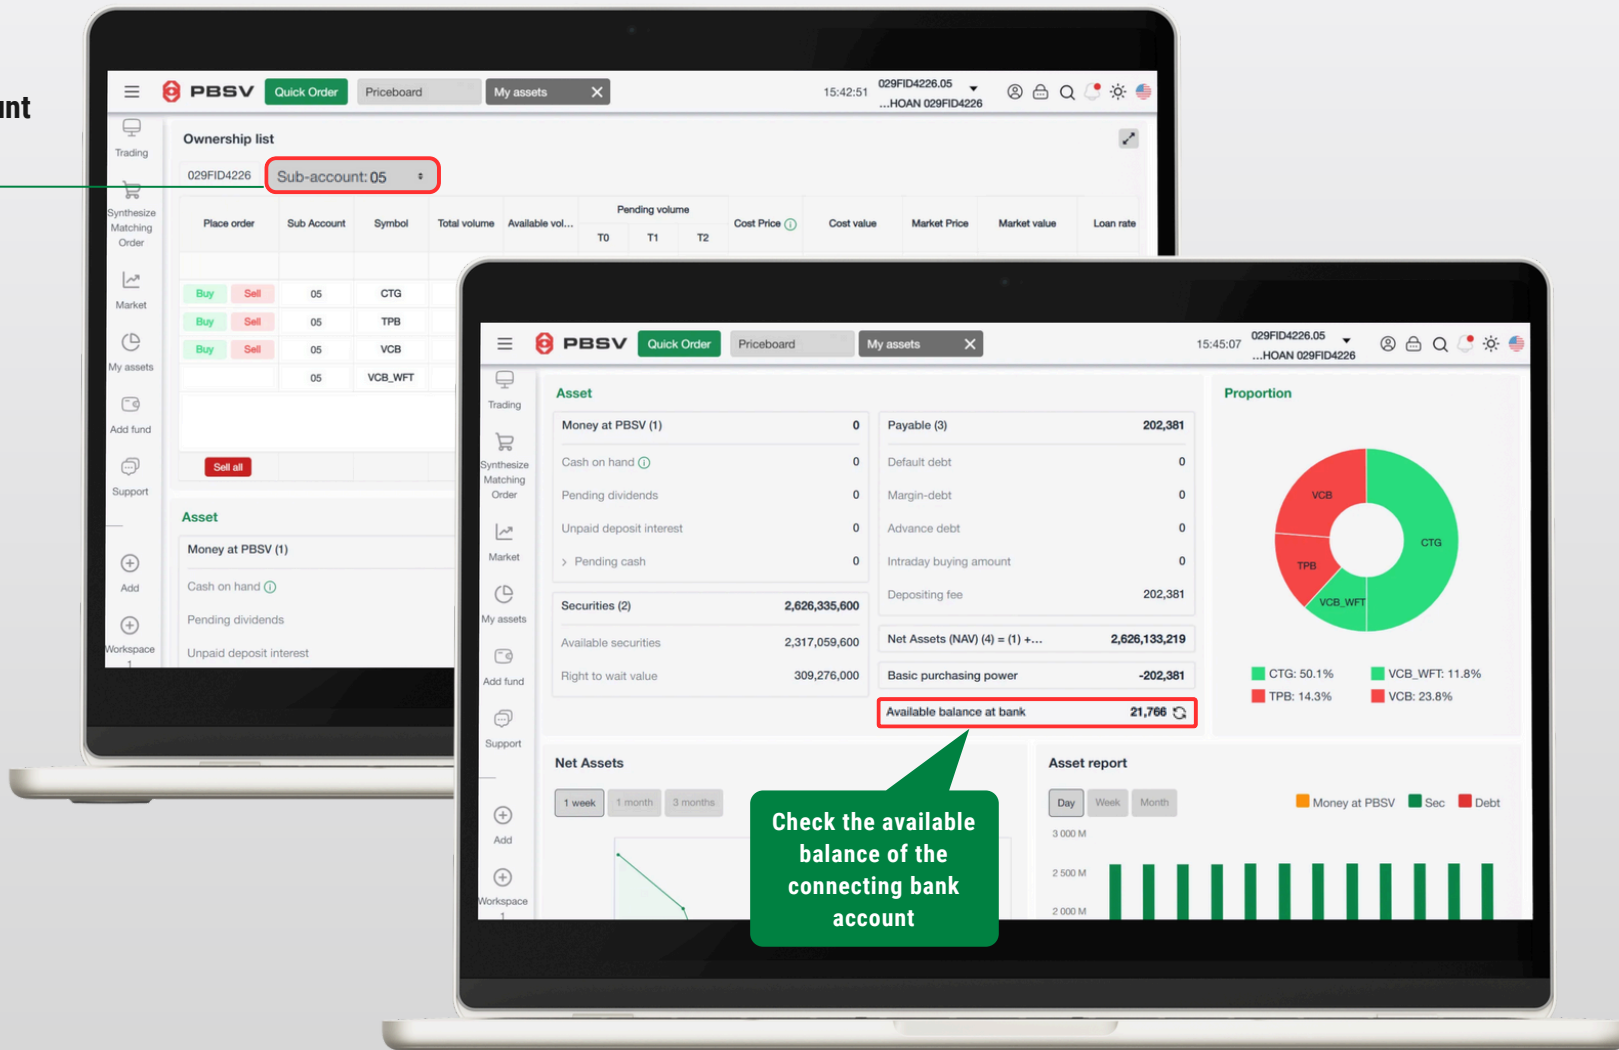

The image shows three overlapping 'Place order' windows. The top window is the 'Order' tab, showing fields for symbol (029FID4226), order type (05), and quantity. The middle window is the 'Order book' tab, showing a table of orders with columns for symbol, B/S, and volume. The bottom window is the 'My assets' tab, showing a table of assets with columns for symbol, B/S, and volume. The 'My assets' tab also includes a 'My portfolios' section with a table of portfolios and a 'Credit limit' section.
